Re: Certificate

The Italian Buddhist Union (UBI) - the institution that recognizes and certifies in Italy the regularity of the Buddhist lineages, teachings and teachers – confirms

that Mr. Leonardo Anfolsi – born in Bologna (Italy) on Jan. 7, 1959 - is a Monk of the Buddhist Zen tradition of the Rinzai Lineage and a Teacher of the same Lineage with the right to organize temples, teachings, charity activities and fund raising.

On the basis of this certificate and of the acknowledgement of the Italian Government, we ask that Mr. Leonardo Anfolsi be considered accordingly.
